COVID-19 SPECIAL RULES for 2020

“Special Considerations”

INTRODUCTION

The unprecedented circumstances of the COVID-19 disruption has caused disruption to the 2020 MWFA Competitions.

There has been an agreed sentiment with MWFA and its Member Clubs that the 2020 season would focus on trying to organise as many games as possible for all teams with the express acknowledgement that football in 2020 will not be the same as in previous years.

The clear intention of all decisions is to ensure that as many players from the 18,000 registered players can play as many matches as possible in the season window that has been delayed due to COVID-19 but extended due to negotiations with Council.

Following a series of MWFA Board Meetings, MWFA Club Forums and MWFA Competition Committee meetings, the MWFA has made some decisions in the best interests of the game and the players, which require some changes to the Playing Rules for the 2020 season.

This has been actioned by the MWFA Board based on the following section of the MWFA By-Laws:

9.1 ISSUE OF BY-LAWS AND PLAYING RULES.

(a) Special Considerations

The Board will have the power to consider special circumstances outside the prescribed limits of the MWFA By-Laws and Playing Rules should it be clear those special considerations are in the interests of the Game.

The special rules for 2020 will sit alongside the current MWFA Playing Rules and will over-ride any discrepancies between the published 2020 MWFA Playing Rules and the “2020 Special Considerations” listed below.
