Why Wakehurst Football Club?

When it comes to football in the Frenchs Forest, Belrose and Davidson area - Wakehurst is THE CLUB.

With over 1475 registered players in 2016, playing in 110 teams, we are certainly one of the strongest and best conducted clubs in the Manly Warringah Football Association. In fact, Wakehurst has won the MWFA's President's Cup for best performance, presentation and attitude in a club 17 times.

Our aim is to provide all our players with a fun and enjoyable environment in which to play football, whilst helping develop their individual skills with the assistance of our dedicated team of coaches.

Above all we are a family club that encourages participation by players and parents. We offer coaching programs, camps, Gala days and fantastic social events throughout the year.

This year you can be assured that Wakehurst Football Club will once again provide our community with some great football and the same team spirit that has made us one of the most popular football clubs on the Peninsula.
